New York State Underwater Blueway Trail Pilot Project Request for Qualifications Announcement

The Village of Lake George, on behalf of the Village of Freeport and the Cities of Dunkirk, Geneva, Oswego, and Plattsburgh, (“the Participating Communities”), is developing a pilot project to create the New York State Underwater Blueway Trail, with funds provided under Title 11 of the Environmental Protection Fund through New York State Department of State. The Village is soliciting proposals from qualified consultants and/or individuals to provide professional project management and consulting services to oversee and coordinate the activities of the Participating Communities in executing the workplan associated with this project.

A pre-submission meeting will be held in the offices of the Village of Lake George at 1:30 PM on Wednesday, February 3rd, 2010, at which time a review of the project will be conducted, followed by a question and answer session. In case of winter storms on February 3rd, 2010, the meeting will be postponed until 10:30 on Friday, February 5th, 2010, in which case information will be posted at www.lakegeorge2000.org.

The Request for Qualifications including the scope of work, and the text of the work program can be obtained from the Lake George Village Clerk or at www.lakegeorge2000.org, where submission instructions are posted. Proposals must be delivered not later than 12:00 noon on Wednesday, February 24th 2010.
